

The image features two 3D-rendered coronavirus particles against a solid black background. One particle is significantly larger and more detailed than the other, showing its characteristic spherical shape with numerous red, cone-shaped spike proteins protruding from its surface. The smaller particle is positioned in the upper left quadrant, while the larger one dominates the right side of the frame. The text 'COVID 19 FACTS.NEWS' is centered horizontally across the middle of the image, with '19' rendered in red and the other characters in white.
